EDUCATION

Kadir Has University, Faculty of Engineering and Natural Sciences

Computer Engineering, GPA: 2.36 / 4.00

İstanbul, Turkey

2017 - 2023

Nazmi Arıkan Fen Bilimleri High School

GPA: 82.86 / 100

İstanbul, Turkey

2013 - 2017

WORK EXPERIENCE

Doğuş Teknoloji

İstanbul, Turkey

Web Developer Intern

June 2022 - December 2022

- Developed and maintained web applications using C#, CSS, HTML, jQuery, JavaScript, NextJS, ASP.NET, and Strapi to ensure optimal functionality and performance.
- Actively participated in team meetings and brainstorming sessions, providing valuable insights and suggestions for improving website design and functionality.
- Documented all processes utilized within the development environment, including comprehensive coding standards, to ensure consistency and facilitate knowledge sharing.
- Implemented visually appealing and user-friendly elements to enhance the overall user experience based on design feedback and specific client requirements.
- Conducted website performance audits and implemented optimization strategies to enhance loading times and overall site performance.

Engin Tasarım

İstanbul, Turkey

Front-End Web Developer Intern

August 2021 - September 2021

- Developed and integrated CSS, HTML, jQuery, Bootstrap, and JavaScript to enhance functionality and improve the user experience on web pages.
- Utilized Git to add code to GitHub enabling efficient version control and facilitating the development of reusable components, resulting in 20% time reduction on subsequent tasks.
- Implemented code refinements to achieve optimal browser compatibility and create a highly responsive user experience on various devices.
- Collaborated with a senior developer to co-author and develop code from scratch for a movie database project.
